THE BIG STORY Главная тема

America Votes : Election Day Comes on Tuesday, November 3

By The Lucerna newsroom Reading level : A2

Tuesday, November 3, is Election Day in the United States. It is a midterm election – an election in the middle of a president's four-year term. All 435 seats in the House of Representatives are on the ballot, along with about a third of the Senate and governorships in many states.

In many states, voting has already started. Early voting lets people vote before Election Day : you go to a voting place, you show your ID, you mark your ballot, and your vote counts on election night. On Tuesday, the voting places open early in the morning and close in the evening.

What happens on Tuesday night ? Television channels show maps that slowly change colour, state by state. But nobody should expect every result at midnight : each state runs its own election, and counting takes time. Some races are called on Tuesday night ; others take days.

And that is only half of the week. On Friday, November 6, two big films open in cinemas. On Sunday, November 8, American football goes to Madrid, Spain, and Formula 1 races in São Paulo, Brazil. Our sport dossier is on page 4.

This is the second issue of The Lucerna in English. Last issue promised real readers' letters – and this week, our Readers' Corner on page 7 tells you honestly where those letters stand. Welcome back !

One More Hour of Sleep : America Falls Back

By The Lucerna newsroom Reading level : A2

On Sunday, November 1, at 2 a.m., the clocks in most of the United States went back one hour – to 1 a.m. again. The hour from 1 to 2 happened twice. Americans call it « falling back », and the prize is simple : one more hour of sleep.

Why do we change the clocks ? In summer, we move the clocks forward so the evenings stay light longer. In autumn, we move them back, so the mornings are light again for school and work. The American memory phrase is : spring forward, fall back.

Not every place changes. Arizona and Hawaii stay on the same time all year – no spring forward, no fall back. If you call a friend in Phoenix on Sunday, remember : their clock did not move.

The price of the extra hour is a darker evening. From this week, the sun sets earlier, and the walk home from school or work is in the dark. Lights go on in windows, and autumn evenings begin.

And what about Saturday night ? On Saturday, October 31, it was Halloween. Children in costumes went from house to house with the old call : « Trick or treat ! » In the morning, the pumpkins were still on the porches – and the candy bags were full.

Halloween and the clock change belong together in America : one night of costumes, then one night of an extra hour. Two autumn rituals, one weekend – and both are now just passed, not coming.

DO THE MATHS Посчитай

From 2 a.m. back to 1 a.m. : the night of November 1 has 25 hours, not 24. One extra hour – one extra hour of sleep, if you use it well.

WHAT IS ON THIS WEEK ?

Second story of the week – and it is on your screen. On Friday, November 6, two films open in cinemas : « The Cat in the Hat », with the famous cat from Dr. Seuss, and « Godzilla Minus Zero », the new film from Takashi Yamazaki. One for children, one for monster fans – and both for a Friday night out.

On television and streaming, the week is just as full. New shows arrive on Wednesday, Thursday and Friday, and on Sunday night, a famous reality reunion closes the week. Page 3 has the full screen guide.

How do you say the new time ? « It is one o'clock – again ! » is the joke of the week. The clocks below show the three times of the week : the repeated hour, the half hour, and the quarter to.

Пояснение — to fall back (о часах) переводить назад • a costume костюм • trick or treat «сладость или гадость».

« A Halloween Wish » : a Halloween postcard from 1912. More than a century ago, Americans already sent Halloween greetings – the costumes change, the night stays.

DID YOU KNOW ?

Most of the United States fell back on Sunday, November 1 – Arizona and Hawaii did not change.

The night of November 1 has 25 hours : the hour from 1 to 2 a.m. happens twice.

Halloween was Saturday, October 31 : costumes, pumpkins, and full candy bags.

AND YOU ? А ты?

And you ? Did you sleep one hour more on Sunday ? What did you do on October 31 ? Write two sentences in English for VOL.3.

В воскресенье ты спал на час дольше? Напиши два предложения.

TELLING THE TIME Как называть время

The repeated hour Три времени недели

It is one o'clock.

It is half past one.

It is quarter to eight.

twice	= two times (дважды)
again	= one more time (ещё раз)
to fall back	= to go back one hour (перевести назад)
an extra hour	= one hour more (на час больше)

This week : on Sunday, November 1, the clocks fell back. The hour from 1 to 2 a.m. happened twice – spring forward, fall back.

Friday Night at the Movies : A Cat and a Monster

By The Lucerna newsroom Reading level : A2 → B1

On Friday, November 6, two very different films open in cinemas across America. One is for children and families. The other is for monster fans. Both give you a reason to go out on a dark autumn evening.

The first is « The Cat in the Hat », from the famous children's book by Dr. Seuss. The Cat – tall, funny, and always in trouble – comes to life on the big screen, with Bill Hader as the voice of the Cat. If you know the book, you know the hat : red and white, and much too tall.

The second is « Godzilla Minus Zero », the new film from Japanese director Takashi Yamazaki. Godzilla is the giant monster who has walked through Japanese films for more than seventy years. This time, the monster returns to the cinema – bigger, darker, and louder than ever.

Which film would you choose ? A talking cat in a striped hat, or a giant monster in a city ? In our newsroom, the vote is split – half for the cat, half for the monster. Tell us your choice on page 7.

AT HOME THIS WEEK Дома

Wed Nov 4 – « A Dog's Perfect Christmas » and « Taken : Natalee Holloway » arrive on Netflix.

Thu Nov 5 – « Black Doves » Season 2 begins. Fri Nov 6 – « Under Siege » Season 1 and « Unprotected : Murder in Galicia ».

Sun Nov 8 – « Love Is Blind : The Reunion » closes the week. One week, one screen, many stories.

A film is not only a story – it is also English practice. Listen for three things : the catchphrase (the line everybody repeats), the joke (why does the room laugh ?), and the ending (happy, sad, or open ?). After the film, try to tell the story in five English sentences.

And if you stay at home, the same rule works for a series : one episode, five sentences, in English. The best five-sentence reviews will be printed in VOL.3 – send yours to the newsroom.

Пояснение — to open (о фильме) выйти в прокат • a monster чудовище • a catchphrase крылатая фраза • a series сериал.

Sunday in Madrid, São Paulo and Miami

By The Lucerna newsroom Reading level : B1

Sunday, November 8, is the biggest sports day of the autumn. Three countries, five sports, one Sunday – and American football in a Spanish football stadium.

In Madrid, the NFL plays its international game at the Santiago Bernabéu : the Cincinnati Bengals against the Atlanta Falcons. American football in the home of Real Madrid – a strange and wonderful mix. The game is part of NFL Week 9, and it is the week's most talked-about fixture.

Back in the United States, Week 9 continues the same day : the Miami Dolphins play the Detroit Lions at Hard Rock Stadium in Miami Gardens. Two games, two continents, one league – that is the modern NFL.

In Brazil, Formula 1 races the São Paulo Grand Prix, the second race after the United States Grand Prix in Austin. Fast cars, a famous track, and a championship still to decide – the perfect Sunday afternoon for racing fans.

And there is more : NASCAR races at Homestead-Miami, the WTA Finals begin at Indian Wells, and in Arlington, Texas, Alycia Baumgardner defends her women's lightweight title against Elif Nur Turhan. One Sunday is not enough – good thing the week has seven days.

WHY MADRID ? Почему Мадрид?

The NFL plays games outside the United States every year, so new fans can see the sport live. Madrid joins London, Munich and São Paulo on the international map.

How do you follow five sports in one day ? Choose one game to watch fully, and follow the others on your phone. That is the modern fan : one screen for the game, one screen for the scores.

On Saturday, November 7, the warm-up is already on : Major League Soccer plays its late-season fixtures, including Charlotte against Inter Miami and Atlanta against the New York Red Bulls. The weekend starts on Saturday – and it does not stop.

Пояснение — a fixture матч по расписанию • a title чемпионский титул • to defend (о чемпионе) защищать титул • a fan болельщик.

Election Night at Home : Maps, Phones and Pizza

By The Lucerna newsroom Reading level : B1

Last issue, we asked you a question : what do Americans read, watch and eat while they wait for the results ? On Tuesday night, November 3, here is the answer – from living rooms across the country.

First, they watch the maps. On television, the map of the United States slowly changes colour, state by state, as results come in. Every channel has its own map, its own experts, and its own way of saying the same sentence : « Too close to call. » That means : we do not know yet.

Second, they eat. Election night is pizza night in many homes – easy food, no cooking, hands free for the phone. Popcorn, chips and soda join the pizza on the table. Nobody cooks a big dinner on a night when the news never stops.

Third, they read – on their phones. Friends send messages : « Did you see Ohio ? » « Florida is close ! » « Go to bed, we will know tomorrow. » The second screen is part of the night : the television for the map, the phone for the friends.

And the children ? They watch too, from the sofa, and they ask the best questions : « Why is that state red ? » « Why does it take so long ? » « Can we stay up until the end ? » The answer to the last question is usually : no. The results will still be there in the morning.

TOO CLOSE TO CALL Равная

When a race is very close, channels do not call a winner. They wait. « Too close to call » is the most honest sentence on election night – and the most repeated.

If you want to practise election-night English, try this : watch ten minutes of results coverage in English, and write down five sentences you hear. « Too close to call » will certainly be one of them. The other four are your homework.

Пояснение — a map (о выборах) карта • too close to call слишком равная борьба, итог неясен • a second screen второй экран (телефон).

How America Votes : One Country, Fifty Elections

By The Lucerna newsroom Reading level : B2

There is no single American election. There are fifty – one in every state – run by the states themselves, under rules that differ from state to state. That is why Election Day looks different in Texas, in Florida and in Ohio, and why the results arrive at different speeds.

The House of Representatives has 435 members, each serving two years. Every midterm, all 435 seats are on the ballot. The Senate has 100 members, each serving six years, and only about a third of them face the voters in any one election. Governors, who lead the states, are also on the ballot in many states.

Why does a midterm matter ? Because the party that holds the House and the Senate can shape the laws of the next two years. A midterm can change who controls Congress – or confirm the voters' choice of two years before. Nothing is decided in advance ; that is the point of the vote.

How does a voter vote ? First, register – in most states, before Election Day. Then, choose : vote early in person, vote by mail where the state allows it, or vote in person on Tuesday. At the voting place, show your ID where the state asks for it, mark your ballot in private, and put it in the box. The sticker – « I VOTED » – is optional, but almost everybody takes one.

And after Tuesday ? Counting continues. Mail ballots take time to open and check. Close races take longer. Channels call a race only when the maths is clear – and when it is not clear, they say the honest sentence : too close to call. Patience is part of the system, not a failure of it.

A PRACTICE BALLOT Бюллетень

For Governor : ☐ Candidate A · ☐ Candidate B. For the House : ☐ Candidate C · ☐ Candidate D. Names are codes here – this ballot teaches how to mark, not whom to choose.

A note on numbers in this issue : this paper prints no poll figures and no predictions. Polls change, and a learner's paper should teach the system, not guess the result. On Wednesday morning, the results will speak for themselves – and next week's issue will report them.

Пояснение — to register зарегистрироваться (регистрация избирателей) • a governor губернатор • to shape laws влиять на законы • patience терпение.

THE PAST SIMPLE

Regular verbs add -ed : changed, watched. Irregular verbs change : fall→ fell, go →went, choose →chose. Use it for what is already finished – the clocks that fell back on November 1, and the « as-if-finished » retellings on page 4. The November 3 election and the November 8 games are still to come at press time, so their results are not past yet.

THE EXAMPLE Пример

« The clocks fell back on Sunday, November 1. » – fall→fell (page 2).

LEVEL B2 Сложный

HEADLINE PRESENT

Headlines speak of yesterday in the present : « America votes », « Bengals play in Madrid ». The present simple makes old news feel live. Read the front page again and find three.

WHETHER = IF ?

« Nobody knows whether the race is called yet. » Whether introduces an open question inside a sentence – more elegant than if, and safe everywhere. It is the word for election-night uncertainty.

THE EXAMPLE Пример

« Patience is part of the system, not a failure of it. » – part of = часть(page 6).

Three sentences to keep in your pocket, one for each level :

MODEL Образец

On Tuesday, November 3, our family watched the election results at home. We ate pizza, because nobody wanted to cook on such a night. On television, the map changed colour, state by state, and my father said : « Ohio is too close to call ! » I did not understand every state, but I understood the pizza and the excitement. On Sunday night, the clocks had fallen back, so I slept one hour more. It was a long night, and a very American one.
