Voting is already under way in several states ahead of Election Day on November 3, and the headline also points to the week's first games.

GERMAN — Die Lucerna

Eine Stunde geschenkt: Deutschland stellt die Uhren zurück — und elf Länder haben Ferien

SPANISH — La Lucerna

Este domingo: dormimos una hora más… ¡y se juega el Clásico!

Spain gains an extra hour of sleep as the clocks go back in the early hours of Sunday, and the same day brings the Clásico.

ITALIAN — La Lucerna

Un'ora in più di sonno: domenica torna l'ora solare

Succede tutto domenica. Nella notte tra sabato 24 e domenica 25 ottobre, l'Italia cambia l'ora: alle 03:00 l'orologio torna indietro di un'ora e segna di nuovo le 02:00. La notte dura un'ora in più e dormiamo un'ora in più: torna l'ora solare, dopo sette mesi di ora legale.

IN ENGLISH

Italy returns to standard time on the night of October 24–25, after seven months of daylight saving time, so the night — and everyone's sleep — lasts an hour longer.
